

Action #	Action	Associated Goal	Chapter and Section	Responsible Party and Partners	Timeframe	Priority	Funding Sources	Maintain, Evolve or Transform?
1	Leverage resident interest in community building events by re-establishing and funding a Bolton Recreation or Community Committee.	Goal 1	People - Community Connection	Select Board	Within 2 years	Low	Town Budget Volunteer Time	Evolve
2	Host at least one additional community event every year, in addition to existing events such as Town Meeting Suppers and Green Up Day.	Goal 1	People - Community Connection	Economic Resources Committee Recreation/Community Committee VT Farmers Market Association	Within 2 years	Low	Volunteer Time Donations Town Budget Grants	Evolve
3	Host a Bolton Volunteer Fire Department Fundraiser.	Goal 1	People - Community Connection	Bolton Volunteer Fire Department Economic Resources Committee Bolton Volunteer Firefighter Association	3-5 years	Low	Donations Volunteer Time	Evolve
4	Maintain annual allocations for organizations serving Bolton residents in annual town budgets, including for Our Community Cares Camps.	Goal 2	People - Childcare	Select Board Voters	Ongoing	High	Town Budget	Maintain
5	Continue to offer childcare at Bolton Town Meeting and other town-sponsored events.	Goal 2	People - Childcare	Town Clerk Assistant Town Clerk Event Organizers	Ongoing	Low	Town Budget Volunteer Time	Maintain
6	In the event that Smilie School is closed and ownership reverts to the town, develop a plan to ensure that the facility remains a community center, which may also be creatively developed to include compatible private uses (e.g., a local day care facility) that help offset facility operation and maintenance costs.	Goal 2	People - Education	Select Board Planning Commission, Economic Resources Committee Voters	8+ years	High	Volunteer Time Town Budget	Transform
7	Educate residents about the services provided by municipal, state and regional agencies, such as Age Well, and increase senior services and community connection by recruiting volunteers to provide services for town residents to volunteer to meet those needs.	Goal 2	People - Social Services and Community Health	Town Website Administrator Senior Dinner Coordinator CVAA	Within 2 years	Low	Volunteer Time	Maintain
8	Provide all volunteer committees with adequate administrative support, through staff or contracted services, particularly as needed to ensure that open meeting law requirements are met.	Goal 3	People - Town Governance	Select Board	Ongoing	High	Staff time Town Budget	Maintain
9	Evaluate short term and long term town staffing needs on an annual basis to ensure that there is sufficient support for town administration and for the administration of any new programs, taking into account operating budgets, program requirements, existing staffing, and the cost of contracted services.	Goal 3	People - Town Governance	Select Board Other town boards Staff	3-5 years	High	Town Budget	Evolve
10	Coordinate with the Towns of Jericho and Underhill, and with Vermont's Congressional delegation, to gain federal Payment in Lieu of Taxes (PILOT) for the Ethan Allen Firing Range.	Goal 3	People - Town Governance	Select Board Jericho and Underhill Select Boards State Representatives Congressional Delegation	6-8 years	High	Volunteer Time	Transform
11	Seek additional sources of revenue and funding, including grants, donations, fundraising, and service payments where allowed, to help offset municipal operating expenses, and to purchase needed equipment.	Goal 3	People - Town Governance	Select Board BVFD Staff Other Town Committees Highway Foreman	Ongoing	High	Town Budget Wildland Fire Equipment Grants	Evolve
12	Track communications from Vermont Emergency Management and the National Weather Service in Waterbury and Burlington to ensure that the town receives up to date and accurate information prior to and during severe storms and flood events.	Goal 4	People - Public Safety	Emergency Management Coordinator Fire Chief Highway Foreman LEPC #1 VT Emergency Management	3-5 years	High	Town Budget	Evolve
13	Annually update the town's Local Emergency Operations Plan (LEOP) by May 1st, for use in emergencies and disasters and to ensure the appointment of qualified individuals to serve in key public safety positions.	Goal 4	People - Public Safety	Emergency Management Coordinator Highway Foreman Smilie School Representative Select Board CCRPC VDEMHS	Ongoing	High	Volunteer Time Staff Time CCRPC UPWP	Maintain

Action #	Action	Associated Goal	Chapter and Section	Responsible Party and Partners	Timeframe	Priority	Funding Sources	Maintain, Evolve or Transform?
14	Provide emergency response, hazardous materials response and fire training as resources permit, particularly for appointed positions, select board members, volunteer firefighters and other emergency responders – including Incident Command System (ICS) training as required for local officials.	Goal 4	People - Public Safety	Emergency Management Coordinator Select Board Fire Chief/BVFD Vermont Fire Academy VDEMHS	Ongoing	High	Town Budget Volunteer Time	Maintain
15	Actively recruit volunteer firefighters, and provide necessary training and equipment to ensure their safety.	Goal 4	People - Public Safety	Fire Chief BVFD VDEMHS	Ongoing	High	Town Budget Volunteer Time	Maintain
16	Continue to fund Richmond Rescue for emergency medical services.	Goal 4	People - Public Safety	Select Board Voters	Ongoing	High	Town Budget Volunteer Time	Maintain
17	Evaluate the need for additional police coverage, in relation to local crime rates, through contracted or administrative service agreements with existing law enforcement agencies.	Goal 4	People - Public Safety	Select Board Law Enforcement Agencies	6-8 years	High	Town Budget Volunteer Time	Evolve
18	Provide information to local residents interested in establishing a Neighborhood Watch Program.	Goal 4	People - Public Safety	Neighborhood Volunteers Select Board Town Web Master Vermont State Police	3-5 years	Low	Volunteer Time	Evolve
19	Identify locations with suitable access to surface water for the installation of additional dry hydrants in portions of town that currently do not have adequate supplies; and negotiate necessary access easements with willing landowners.	Goal 4	People - Public Safety	BVFD Select Board Planning Commission	6-8 years	Low	Town Budget Grants	Evolve
20	Review the status of the Bolton Volunteer Fire Department and existing coverage, including ongoing department needs for equipment, volunteers and training, in relation to available municipal resources, including annual capital and operating budgets, reserve funds, and existing mutual aid agreements. Investigate options under existing or proposed aid or service agreements with neighboring communities to increase local coverage, and to share complementary equipment and services in the most cost-effective manner.	Goal 4	People - Public Safety	BVFD Select Board  Vermont Fire Academy	8+ years	Low	Town Budget	Evolve
21	Explore the feasibility of creating a Community Resilience Organization (CRO) or similar organization for Bolton, to develop a town-wide notification and warning system in the case of emergencies, plan to reposition equipment during a flood event to ensure it is available in all parts of town, and develop neighborhood-specific emergency plans.	Goal 4	People - Public Safety	Emergency Management Coordinator Emergency Response Committee  Vermont Department of Emergency Management and Homeland Security / LEPC / Community Resilience Organizations	6-8 years	High	Town Budget Volunteer Time Staff Time	Transform
22	Encourage residents to sign up for VT Alert notifications about emergencies.	Goal 4	People - Public Safety	Emergency Management Coordinator Town Web Master	Within 2 years	High	Volunteer Time	Evolve
23	Create an emergency and public safety web page for the town.	Goal 4	People - Public Safety	Emergency Management Coordinator Town Web Master	Within 2 years	Low	Volunteer Time	Evolve
24	Complete and maintain an inventory of all businesses in Bolton and make the list of interested businesses available as a community resource on the town website.	Goal 5	Prosperity - Economy	Economic Resources Committee Town Webmaster	Ongoing	High	Volunteer Time	Maintain
25	The Town of Bolton and Bolton Valley Resort will work together to improve the relationship between the two entities, by initiating quarterly discussions to establish a dialogue regarding long term planning in and around the Resort, and by investigating changes to the BLUDRs as necessary and appropriate.	Goal 5	Prosperity - Economy	Economic Resources Committee Select Board Planning Commission Bolton Valley Resort	3-5 years	High	Volunteer Time USDA Rural Business Development Grants	Transform

Action #	Action	Associated Goal	Chapter and Section	Responsible Party and Partners	Timeframe	Priority	Funding Sources	Maintain, Evolve or Transform?
26	Undertake a survey to quantify the number of abandoned buildings in Bolton and adopt an ordinance regarding the definition and treatment of abandoned buildings.	Goal 5	Prosperity - Economy	Select Board Consultant/Contractor Legal consul VLCT	6-8 years	Low	Town Budget	Evolve
27	Educate residents about eligibility for homestead declarations.	Goal 6	Prosperity - Housing	Town Website Administrator Town Clerk and Assistant Town Clerk Town Assessor Senior Coordinator AARP Vermont Department of Taxes	Within 2 years	Low	Staff time Volunteer Time	Maintain
28	Ensure that town highway department personnel, including the Highway Foreman, receive training on and are aware of relevant state standards, including the requirements of the under Municipal Roads General Permit.	Goal 7	Prosperity - Transportation	Select Board Highway Foreman	Within 2 years	High	Town Budget	Maintain
29	Increase the Highway Department's capacity within the limits of the town's annual operating budgets as necessary to maintain and update paving, culvert and erosion inventories, identify priority projects, and seek funding as necessary to comply with Municipal Roads General Permit requirements.	Goal 7	Prosperity - Transportation	Select Board Highway Department CCRPC, VTrans VLCT	Within 2 years	High	Better Roads Grant, Vermont DEC Town Budget	Evolve
30	Work with VTrans and CCRPC to develop management practices and road and bridge standards for mountainous terrain and adopt standards that will lead to an increase in the town's ERAF match rate after disasters.	Goal 7	Prosperity - Transportation	Select Board Highway Foreman Planning Commission VTrans / CCRPC VLCT	3-5 years	High	Volunteer Time VTrans Funding	Evolve
31	Continue to coordinate with VTrans on issues involving development on and access to Route 2.	Goal 7	Prosperity - Transportation	Select Board Highway Foreman Planning Commission VTrans / CCRPC VLCT	Ongoing	High	Road Crew VTrans Funding	Maintain
32	Advocate for options to increase pedestrian and motorist safety, and wildlife crossing connections in association with the replacement of the Notch Road tunnel (Culvert 51-3) under I-89, which also accommodates the Long Trail.	Goal 8	Prosperity - Transportation	Select Board Planning Commission Conservation Commission CCRPC Vtrans Green Mountain Club Vermont Fish and Wildlife	Ongoing	High	Volunteer Time Staff Time Alternative Transportation Program	Transform
33	Develop a Complete Streets Policy.	Goal 8	Prosperity - Transportation	Select Board Highway Foreman CCRPC	6-8 years	Low	Town Budget CCRPC UPWP	Evolve
34	Administer and enforce the town's traffic ordinance through contracted services with existing law enforcement agencies (Vermont State Police, Chittenden County Sheriff) and/or through shared service agreements with neighboring municipalities.	Goal 8	Prosperity - Transportation	Select Board Contracted Law Enforcement	Ongoing	High	Town Budget Volunteer Time	Maintain
35	Identify road locations where guard rails might be needed.	Goal 8	Prosperity - Transportation	Select Board Highway Foreman VTrans CCRPC	6-8 years	Low	Volunteer Time Staff Time CCRPC UPWP Town Budget	Evolve

37	Provide local residents with information about Go! Vermont and carpool, vanpool, ridesharing, and public transit opportunities coordinated through the program.	Goal 8	Prosperity - Transportation	Town Web Master  Go! Vermont	Within 2 years	Low	Town Budget	Evolve
38	Continue to investigate options to ensure that Bolton has a flood proof Town Garage.	Goal 9	Prosperity - Utilities and Facilities	Select Board	Ongoing	High	Town Budget	Evolve
39	Centralize all town records in the Bolton Town Office for safekeeping and public inspection, and allocate funds to continue to archive, digitize, index and update town land records, permit records, cemetery records and grand lists in formats appropriate for access and use; and develop interactive town maps with the assistance of the Chittenden County Regional Planning Commission.	Goal 9	Prosperity - Utilities and Facilities	Town Clerk and Assistant Town Clerk Volunteers Cemetery Commission Town Archivist State Archivist CCRPC VT or National Historical Societies	6-8 years	High	Town Budget Record Reserve Fund Volunteer Time	Evolve
40	Conduct a cost of service analysis for each town department to increase understanding of expenses and identify areas that may need budgetary changes in the future.	Goal 9	Prosperity - Utilities and Facilities	Select Board Consultant	3-5 years	Low	Town Budget  MPG	Evolve
41	The Capital Planning Committee will maintain a current Capital Improvement Plan by revising the document annually, in conformance with the municipal plan.	Goal 9	Prosperity - Utilities and Facilities	Capital Planning Committee Select Board  CCRPC	Ongoing	High	Volunteer Time Town Budget	Maintain
42	Work with the Vermont Geological Survey to complete detailed groundwater mapping, to determine possible sources for future privately-owned community water systems.	Goal 9	Prosperity - Utilities and Facilities	Planning Commission Conservation Commission Vermont Geological Survey	3-5 years	Low	Vermont Geological Society Funds Volunteer and Staff Time Match	Transform
43	Work with service providers to increase wired high-speed internet infrastructure on Bolton's currently underserved roads. Increase connectivity and quality of telecom services locally, focusing on underserved areas of town and technology adapted for use within mountainous terrain.	Goal 9	Prosperity - Utilities and Facilities	Economic Resources Committee Service Providers Lake Champlain Area Chamber of Commerce	6-8 years	Low	Volunteer Time Grants	Evolve
44	Partner with Efficiency Vermont to complete energy audits of town buildings and implement identified strategies.	Goal 10	Prosperity - Energy	Energy Coordinator Efficiency Vermont Utilities	6-8 years	High	Town Budget Reserve Funds Grants	Evolve
45	Evaluate options for installing renewable energy systems to power and heat municipal buildings.	Goal 10	Prosperity - Energy	Select Board Energy Coordinator  Efficiency Vermont	8+ years	Low	Town Budget Volunteer Time	Transform
46	Recruit and appoint an Energy Coordinator for the town.	Goal 10	Prosperity - Energy	Select Board	Within 2 years	High	Volunteer Time	Transform
47	Educate Bolton residents about the energy siting plan developed for the town during the CCRPC Regional Energy Plan process, and ensure that residents know about the potential for individual renewable energy projects on their own land.	Goal 10	Prosperity - Energy	Energy Coordinator Planning Commission  Renewable Energy Contractors	Within 2 years	Low	Town Budget Volunteer Time	Evolve
48	Continue to provide information to permit applicants regarding building energy efficiency requirements for new residential and commercial buildings.	Goal 10	Prosperity - Energy	Energy Coordinator Town Webmaster	Ongoing	High	Volunteer Time	Maintain
49	Provide information to Bolton residents and property owners regarding available energy efficiency, weatherization and renewable energy installation programs, such as those offered by Efficiency Vermont and the Vermont Community Energy Dashboard.	x	Prosperity - Energy	Town Clerk and Assistant Town Clerk Energy Coordinator Efficiency Vermont Renewable Energy Resource Center Advanced Wood Heating Program Utilities Renewable Energy Contractors	Within 2 years	Low	Town Budget	Maintain

Action #	Action	Associated Goal	Chapter and Section	Responsible Party and Partners	Timeframe	Priority	Funding Sources	Maintain, Evolve or Transform?
50	Bolton will review any necessary changes and may update/amend the town plan to incorporate local renewable energy siting policies and maps that recognize local as well as regional priorities and constraints for the siting of renewable energy generation projects in town, in conformance with state energy goals.	Goal 10	Prosperity - Energy	Energy Coordinator Planning Commission Select Board CCRPC	Within 2 years	Low	CCRPC UPWP	Evolve
51	Establish a local historical society and/or appoint a town archivist or historian to identify, archive and maintain records and materials pertaining to Bolton's history, conduct interviews with town residents, prepare oral histories, sponsor educational events and programs on Bolton's history and update the town's historic structures and sites surveys.	Goal 11	Place - Historic Bolton	Select Board, Town Clerk Historical Society Vermont Historical Society VT Division for Historic Preservation UVM Historic Preservation	Within 2 years	Low	Town Budget Records Reserve Fund Grants Volunteer Time	Evolve
52	Assess and undertake projects to stabilize the banks of Joiner Brook, Duck Brook, Gleason Brook and Mill Brook as needed, to prevent damage to existing homes and septic systems, and Smilie School from flashing flooding and fluvial erosion and collapse.	Goal 12	Place - Natural Hazards and Resilience	Select Board Conservation Commission Planning Commission Consultant CCRPC, Vermont DEC River Scientist	8+ years	Low	Vermont Ecosystem Restoration Grant Town Budget	Evolve
53	Work with CCRPC to update the All Hazard Mitigation Plan.	Goal 12	Place - Natural Hazards and Resilience	Emergency Management Coordinator Emergency Response Committee Select Board CCRPC	3-5 years	High	Town Budget CCRPC UPWP	Maintain
54	Drawing on NFIP guidance, develop information for property owners regarding constructing, improving or replacing structures within mapped flood hazard areas.	Goal 12	Place - Natural Hazards and Resilience	Zoning Administrator Planning Commission DRB Vermont DEC Floodplain Manager FEMA	6-8 years	Low	Volunteer Time	Maintain
55	Review the model and data used to establish the town's 2010 flood map (base flood elevation); if justified, consider remapping the floodplain (base flood elevation) within the village flood hazard area overlay.	Goal 12	Place - Natural Hazards and Resilience	CCRPC Planning Commission Select Board  Consultant/Engineer	8+ years	Low	Grants MPG Town Budget	Evolve
56	Partner with the Vermont Geological Survey to finish inventory of landslide hazard areas throughout town to ensure that clear information on landslide risk is available to property owners, residents and town officials, and update the BLUDRs as necessary.	Goal 12	Place - Natural Hazards and Resilience	Planning Commission Select Board Vermont Geological Survey	6-8 years	Low	Vermont Geological Society Funds Volunteer and Staff Time	Evolve
57	Undertake a hydrological/capacity analysis of local watersheds and determine whether new stream geomorphic assessments should be conducted on Gleason Brook and Mill Brook.	Goal 12	Place - Natural Hazards and Resilience	Select Board Planning Commission Consultant CCRPC, Vermont DEC River Scientist	8+ years	Low	Vermont Ecosystem Restoration Grant Town Budget	Evolve
58	Inventory and map Bolton's most important wildlife travel corridors and road crossing shown in the Arrowwood Science to Action Report and more recent Biofinder wildlife crossing data in consultation with state agencies, and identify needed next steps.	Goal 15	Place - Natural Resources	Conservation Commission Consultant, ANR, VTrans, VT Department of Fish and Wildlife	6-8 years	Low	Conservation Fund Grants	Evolve
59	Inventory and map Bolton's scenic landscape features, scenic roads and view sheds, and recommend additional regulatory and non-regulatory options for their protection.	Goal 19	Place - Natural Resources	Conservation Commission Planning Commission Select Board	3-5 years	High	Volunteer Time Town Budget	Evolve
60	Evaluate options for establishing neighborhood parks, playgrounds, community gardens or other community facilities in West Bolton, Bolton Valley or on US 2.	Goal 20	Place - Recreation	Recreation Committee Select Board Conservation Commission	8+ years	Low	Bolton Conservation Fund Volunteer Time Staff Time	Transform
61	Place safety information related to hunting season (such as warning hikers to wear blaze orange) on the information kiosks of town-owned land.	Goal 20	Place - Recreation	Conservation Commission Preston Pond Steward Recreation Committee Hunter advocacy organizations	Ongoing	High	Volunteer Time Town Budget	Evolve
62	Host hunter education courses locally.	Goal 20	Place - Recreation	Conservation Commission Preston Pond Steward Recreation Committee Hunter advocacy organizations	6-8 years	Low	Volunteer Time Town Budget	Maintain

Action #	Action	Associated Goal	Chapter and Section	Responsible Party and Partners	Timeframe	Priority	Funding Sources	Maintain, Evolve or Transform?
63	Work with outdoor recreation groups and organizations active in Bolton to minimize user conflicts in shared recreation areas, especially during hunting and trapping season.	Goal 20	Place - Recreation	Recreation Committee Select Board, Conservation Committee, Vermont Department of Parks and Recreation Green Mountain Club, the Vermont Association of Snow Travelers, the Catamount Trail Association, the Climbing Access Resource Group, Friends of Bolton Nordic Lands and Backgrounds, Smilie School and local landowners	6-8 years	High	Volunteer Time	Evolve
64	Investigate appropriate locations for town or privately maintained off-road parking at trailheads and in areas of heavy recreational use.	Goal 20	Place - Recreation	Planning Commission Select Board	8+ years	Low	Town Budget	Evolve
65	Verify that organizations seeking to build or maintain trails in Bolton have adopted appropriate trail standards that have proven effective in similar municipalities, to guide or regulate the development, use and maintenance of like trails.	Goal 20	Place - Recreation	Conservation Commission Select Board	3-5 years	Low	Volunteer Time	Maintain

Action #	Action	Associated Goal	Chapter and Section	Responsible Party and Partners	Timeframe	Priority	Funding Sources	Maintain, Evolve or Transform?
66	Review and update the Bolton Land Use and Development Regulations (BLUDRS) for clarification and ease of use, to incorporate new statutory requirements under Chapter 117, and to conform to and advance the goals and objectives of this plan, as highlighted below:	Goal 23	Place - Land Use	Planning Commission Select Board  Consultant/CCRPC, DRB Vermont Rural Water Agency State Agencies	Within 2 years	High	Municipal Planning Grant CCRPC UPWP	Evolve
<p>General BLUDR Issues</p> <p>a. Review and update mapped boundaries, dimensional standards and allowed uses under established zoning districts to determine whether any adjustments are justified.</p> <p>b. Review and update the BLUDRS and other policies and ordinances as needed to clearly reference and further protect the town's significant natural, cultural, historic and scenic resources, as discussed in the Natural Resources section of this plan and shown on corresponding maps.</p> <p>c. Re-evaluate Select Board-adopted administrative and permit fee schedules as needed to ensure that the fees charged are adequate to cover allowed administrative costs and are comparable to those charged by similar towns but are not prohibitively expensive for residents.</p> <p>Historic Preservation</p> <p>d. Refine the regulations surrounding the treatment of designated and potential historic buildings and sites to ensure the preservation of Bolton's history while not unduly burdening property owners.</p> <p>Economy</p> <p>e. The town of Bolton will work with Bolton Valley Resort to gain an understanding of specific regulatory barriers that may act as a deterrent to development at the Resort, and to identify possible changes to the Bolton Land Use and Development Regulations that meet the goals of the town Plan to address those challenges, including a possible commercial recreation overlay district.</p> <p>f. Create educational materials for residents and business owners to learn about the BLUDRS</p> <p>g. Ensure that the Bolton Land Use and Development Regulations encourage the creation of home businesses.</p> <p>Telecommunications and Energy Siting</p> <p>h. Revise the BLUDRS to provide density bonuses for Planned Unit Developments with layouts that enable energy efficiency and the use of renewable energy sources.</p> <p>i. Revise the BLUDRS to include renewable energy projects in the discussion of setbacks and screening.</p> <p>j. Review and update the telecommunications and co-location standard guiding local permitting and providing guidance to the Select Board and Planning Commission's participation in the PSB (Section 248a)process.</p> <p>k. Update the BLUDRS to require the submission of associated energy certificates prior to the issuance of certificates of occupancy.</p> <p>Roads</p> <p>l. Update BLUDRS town highway regulations to ensure safety and resilience of private roads and driveways.</p> <p>Water Quality and Stormwater</p> <p>m. Update current source protection area standards as needed, under the BLUDRS</p> <p>n. Determine and implement appropriate strategies for incentivizing Low Impact Development (LID) to reduce stormwater runoff from new development.</p> <p>o. Review, clarify and update existing stormwater management requirements under the BLUDRS to incorporate new state standards and model language regarding stormwater.</p> <p>p. Review flood hazard area bylaws for consistency with more recent state models and recommendations.</p> <p>q. Evaluate developing a new river corridor protection area overlay district, using state river corridor maps as amended for local use. Before establishing additional regulations, the town should work with CCRPC and ANR to ensure the most accurate data is included in the river corridor map. Bolton should review the implications of the full River Corridor on existing properties before establishing these additional regulations.</p> <p>Steep Slopes</p> <p>r. Clarify, update steep slope regulations; evaluate whether additional engineered options to allow very limited development on 15-25% slopes and 25% or greater slopes (e.g., to access adjoining land) is justified under the BLUDRS – e.g., in association with an independent technical engineering review, and related stormwater management concerns.</p> <p>Telecommunications</p> <p>s. Update Bolton's development regulations to meet FCC requirements for the regulation of telecommunications facilities.</p>								
67	Increase planning reserve funding to cover match requirements for planning grant programs.	Goal 23	Place - Land Use	Select Board Planning Commission	Within 2 years	Low	Town Budget	Evolve
68	Consider rezoning West Bolton, in consultation with local residents, as a new "hamlet" district, to include reduced lot sizes and setbacks and an allowed mix of uses that are more consistent with historically established patterns of development in the area.	Goal 23	Place - Land Use	Planning Commission Select Board  CCRPC or Consultant	Within 2 years	High	Town Budget CCRPC UPWP	Transform

Action #	Action	Associated Goal	Chapter and Section	Responsible Party and Partners	Timeframe	Priority	Funding Sources	Maintain, Evolve or Transform?
69	Examine the feasibility of gaining a Village Center designation for the West Bolton area from the state to allow commercial property owners to access associated benefits, including historic and related tax credits.	Goal 23	Place - Land Use	Planning Commission Select Board  CCRPC or Consultant	8+ years	Low	Town Budget CCRPC UPWP	Transform
70	Update the Town Plan.	Goal 23	Place - Land Use	Planning Commission Select Board Consultant	6-8 years	High	Town Budget MPG	Maintain
