

Are you 55 +?

Would you like to make a difference in your community?

My name is Danielle Williams, I recruit volunteers 55+ for the Foster Grandparent and RSVP Programs at United Way of Northwest Vermont. This position is very important to me, as I have been a part of non profit organizations for many years, and know how instrumental volunteers are to making a community a better place!

Foster Grandparents work in early education settings with children who may have exceptional needs, as well as economic disadvantages. Do you have the time and energy to spend at least 15 hours per week with children in a classroom? Volunteers receive a small non-taxable hourly stipend, free daily meal at site when available, supplemental insurance and paid time off.

RSVP volunteers work with programs that address specific community needs in Education, Income and Health. We partner with non profit agencies that meet critical community needs and welcome the life experience, talents and expertise of RSVP volunteers. How, where, and when you want to volunteer is up to you!
