Conditions for Approved Trapping Applications

- Traps shall be placed at least 30 yards from any trail.
- Snowmobiles can only be used on VAST trails and direct access to traps shall be by foot.
- Vermont Fish and Wildlife regulations shall be explicitly followed, including the frequency of checking traps and the trapper’s name and address labeled on each trap.
- The trapper shall notify the Bolton Town Clerk, who will in turn notify the Bolton Conservation Commission and the Bolton Select Board, within 24 hours of traps being set.
- The Bolton Conservation Commission shall post information at trailhead kiosks, where available, and request posting on the Town website to make visitors generally aware that hunting, fishing and trapping are allowed on the property. This will include notification of specific trapping activity on trailhead kiosks, where available, upon approval of a trapping application.
- Trappers shall inform the Bolton Town Clerk of the number and sex of target species taken, as well as incidental take, within two weeks of the conclusion of the permit.
