

The VT Spay Neuter Incentive Program (VSNIP), under VT Economic Services, helps income challenged care-providers of cats & dogs neutered for \$27.00. The balance is paid ONLY by a \$4.00 fee added to the licensing of dogs, and put into a designated account.

VSNIP is now at "0" funding due to dogs not being registered at least by six months of age. Required by law, a rabies vaccination enables your dog to be licensed. While town offices may not be open to the public, dogs *can* be licensed. Call, provide the rabies certificate, include a check for that amount, and a SASE. **Rabies IS in Vermont and IS deadly.** Tractor Supply Stores are now holding monthly rabies clinics again! Call for their schedule.

Licensing a dog: **1)** identifies your dog if lost, **2)** provides proof that your dog is protected from rabies in the event your dog is bitten by a rabid animal {but would still need immediate medical attention}, **3)** bites another animal/person, which could result in the quarantine of your dog or possibly euthanasia to test for rabies if your current vaccination isn't proven, **4)** helps support VSNIP to address the over-population of cats and dogs in VT, and **5)** **§3590. List of dogs and wolf-hybrids not licensed states, in part** ... "the municipal clerk shall notify the owners or keepers of all dogs and wolf-hybrids named on the list that have not already been licensed or inoculated, and after May 30 shall furnish to the legislative body a list of dogs and wolf-hybrids not licensed or inoculated as required by law. **Owners shall also be notified that unlicensed or uninoculated dogs or wolf-hybrids may be destroyed.**" (No one want this, so vaccinate & register – for the protection of your animals and people!
