Recruitment

The conservation commission is looking to recruit new members. Tony will look into finding a blurb previously used in the Bolton Gazette to notify the town in the next issue of the Gazette.

CRAG-VT

The Bolton CC met with the select board to discuss setting a date and time for a public hearing on the proposal to allocation \$7,500 of the conservation fund to the purchase of a VLT easement on the Upper West climbing cliff being purchase by CRAG-VT on the Notch Road. The Bolton CC and Select Board decided on Monday April 20th with the time to be determined.

Conservation Spending Policy

The Bolton CC and the Select Board discussed adoption of a proposed conservation spending policy drafted by the Bolton CC. The policy would outline a process for dispensing money from the Bolton Conservation Fund. The board will vote to adopt the policy at the next board meeting when all members off the Select Board are available.

Bus Idling

There was discussion that some of the buses at Bolton Valley Resort were still idling despite an agreement with the Resort. Tom will look into this further.
